Corporation Capitalized At Two Million

SIXTY ONE CHARTERS WERE ISSUED LAST MONTH BY SECRETARY OF STATE.

MINGO BLOCK COAL COMPANY OF PARKERSBURG HAS LARGEST CAPITAL.

CHARLESTON, W. Va., Dec. 23.—A total of sixty-one charters were issued by Secretary of State Stuart F. Reed to resident and non-resident corporations during the month of November. In addition to this nine corporations increased their authorized capital; three were granted permission to decrease, and seven foreign corporations were granted permission to do business in West Virginia, while ten corporations were dissolved on their own motion.

The receipts of the office for the month were \$4,906.50, of which \$1,193.50 were for fees and \$2,584 from charters.

The largest resident corporations chartered were the Mingo Block Coal corporation, of Parkersburg, capitalized at \$2,000,000; Frick Coal & Coke Company, of Glenview, W. Va., \$1,500,000; Morrison Department Store Company, of Huntington, \$100,000; A. Thompson Company, of Philippi, \$100,000; the Summersville & Gauley River Improvement Company, of Summersville, W. Va., \$75,000.

Among the larger non-resident corporations chartered were the Eand Fuel Company, of New York, \$600,000; Aerated Rubber Products Company, of Pittsburgh, \$250,000; the Hump Hairpin Manufacturing Company, of Chicago, \$100,000; American Metal Products Company, of Chicago, \$100,000; the Bream Company, of Pittsburgh, \$100,000.

Harry Thaw Is Confident Of Outcome

RELIES ON MR. KNOX TO SAVE HIM FROM BEING RETURNED.

LAWYERS ARE STILL CONFIDENT THAT HE CAN BE KEPT FROM ASYLUM.

MANCHESTER, N. H., Dec. 23.—Harry K. Thaw has been assured by his lawyers that they will probably save him from going back to Matteawan and tonight despite the Supreme Court's decision against him he is as happy as he has been since he came to New Hampshire. Following the orders of his counsel, he has refused to even talk with newspaper men today.

“I have absolute confidence in Mr. Knox,” he told a friend today, “and I am going to leave everything in his hands and I am going to obey his orders, no matter what they are.” Mr. Knox is expected here within a few days and Mrs. Thaw may be here by Christmas. She has talked with her son over the telephone and pleaded with him to keep up his courage. “All is not lost by any means,” she told him. “The lawyers are still confident that they will be able to keep you out of the asylum.”

There was reason to believe that the state of New York has taken precautions against any delay in obtaining possession of the prisoner when the order for his removal is received. It is asserted by friends of Thaw that several detectives in the employ of New York state slipped into town during the night and that these men have since kept a very close watch on the Thaw home.

Rev. G. W. Bent Passes Away At Huntington

WAS FORMER PASTOR OF DIAMOND STREET M. E. CHURCH IN THIS CITY.

REMAINS TO BE BROUGHT HERE—FUNERAL AND INTERMENT TOMORROW AFTERNOON.

Rev. G. W. Bent, a former pastor of the Diamond street Methodist Episcopal church, died last night at 10:30 o'clock at his home in Huntington after an illness of several weeks of blood poisoning.

The serious illness of Rev. Bent had been mentioned from time to time in the West Virginian, though the latest news from his bedside reported a slight improvement.

Rev. Bent was for a number of years pastor of the Diamond street church and during his residence here made many friends who will regret to learn of his death. His first wife died during his residence here and was interred in Maple Grove cemetery.

man, pastor of the church, will officiate at the services and will be assisted by other preachers of this and other towns. Interment will be made in Maple Grove cemetery.

At the time of his death the deceased was superintendent of the Huntington district of the Methodist Episcopal conference and during the sessions of that body in this city last October was present and took active part in the business of the conference. The remains will be accompanied here by the widow and three children. Dr. R. O. Backus, pastor of the Seventh avenue Methodist church of Huntington, and Rev. J. W. Engle, pastor of another Methodist church of Huntington, will accompany the remains to this city, as will also two brothers of the deceased.

The remains will lie in state at the Diamond street church tomorrow from 10 o'clock until the hour of the funeral.

Brick Causes Complaints.

There have been several complaints about the way road contractors are piling up brick on Fairmont avenue. The objections arise from the fear that grass plots will be destroyed in the way that the material is now stacked.

Milk Drinking Increases.

It is said that the consumption of milk in the city is much greater than at this time two or three times. During the scare over the hoof and mouth disease milk consumption fell off to a very depreciable degree.

PIMPPLY? WELL, DON'T BE!

People Notice It. Drive Them Off With Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, the bowels and the liver with Olive Tablets. Dr. Edwards' Olive Tablets are the successful substitute for calomel—there's never any sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cursed with a dark brown taste, a bad breath, a dull, listless, “no good” feeling, constipation, torrid liver, bad disposition or pimply face. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil, you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nights for a week. See how much better you feel and look. 10c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O.

but to those who put them off as well. It is the duty of parents to withhold this form of amusement from their children, and particularly at this season of the year.

The spirit of Christmas is not fostered by deafening noise or the display of fireworks. Of all the year this is the time for peace and quiet and we will do well if we seek to bring our thoughts and acts in harmony with the true spirit of Christmas time.

Let us approach this season with joyful hearts; thankful for our many blessings—but ready to share them with our less fortunate brothers. May we each look around us in our immediate neighborhoods and see if there be not some one to whom we may bring something of the joy of Christmas. Let the “Big Brother” idea possess us. Let us this year in this beautiful city of Fairmont reach the high tide of endeavor to bring peace and good will to men.

ANTHONY BOWEN, Mayor.
